

“Tip A Cop”

The Quincy Police Department partnered with Buffalo Wild Wings on March 10, 2014 from 5:00 p.m. to 8:00 p.m. Officers worked alongside BWW staff to raise money and awareness for Special Olympics Illinois.

There were also envelopes at each table to leave a tip; 100% of the tips collected, went directly to Special Olympics Illinois. If customers brought a ticket, SOIL received an additional 15% of all pre-taxed food sales (less alcohol and promotional discounts).

Thank you to everyone who came out for a fun time while supporting a great cause. With your help we were able to raise a total of \$690.15.
